

2018–2019 English Learner Reclassification Criteria Chart

At the end of the school year, a district may reclassify an English Learner (EL) as English proficient for the first time or a subsequent time if the student is able to participate equally in a regular all-English instruction program as determined by satisfactory performance in all three assessment areas below and the results of a subjective teacher evaluation.¹

For State of Texas Assessments of Academic Readiness (STAAR) English reading and English writing, the performance level for program exit is the student meeting the passing standard.
