AGENDA

A District of Innovation is a concept passed by the 84th Legislative Session in House Bill 1842, effective immediately, that gives traditional independent school districts most of the flexibilities available to Texas' open enrollment charter schools. To access these flexibilities, a school district must adopt an innovation plan, as set forth in the Texas Education Code chapter 12A.

1. Brief Overview of Prior Meeting
2. Review and discuss final Draft of Local Innovation Plan
3. Discuss Public Meeting for May 29, 2018
4. Discussion of Presentation of Local Innovation Plan to Board of Trustees at the June 14, 2018 Board of Trustees Meeting
5. Adjournment

Mission - Fort Hancock Independent School District, in collaboration with parents and the community, will provide its students a safe and effective learning environment with opportunities to develop into responsible and successful citizens.

Vision - Fort Hancock Independent School District is committed to building critical thinkers and life-long learners of good character, confidence, and leadership who will become productive members of society.
