

Benito Martinez Elementary

Pre-Kindergarten Family Engagement Plan

2022-2023

FAMILY- TO- FAMILY SUPPORT

- Create an inviting and safe school environment where families can join to learn from each other as individuals and groups.
 - Our Vision “Benito Martinez Elementary in collaboration with parents and the community will provide its students a safe and effective learning environment with opportunities to develop into responsible and successful students” reflects how we attempt to collaborate with parents for student success.
 - Positive Behavior Interventions and supports (PBIS) - is an evidence based framework implemented for several years to create as safe environment. All settings, events and activities related to school revolve around responsibility, respect, and safety. This year counselors are using “Second Step Program for SEL” in their counseling classes to ensure students learn about social emotional well-being.
- Share specific behavior and academic goals at the beginning of the year at our Open House event where parents are invited to come in and meet the teachers.
- Include specific goals in the Campus Improvement Plan to target parental involvement.
- Parent Volunteers come to school and donate their time with different activities.
- In-District Supports
 - Health Screenings at Health Fair in March of 2023
 - Monthly Parent Meetings
